

## Industrial Kitchen Video System and Bump Bar Technology

**KVS-807B** Industrial Kitchen Video Box, ARM-Linux based  
Broadcom Cortex A7

**KVS-801A** Industrial PC Kitchen video box,  
Intel-Windows based  
Intel Celeron J1900

Our industrial kitchen video system, which drives your point of sale solution, will pass orders from cashier to kitchen to customer with ease. Containing a sleek, sealed cable design will make it easy to implement in any busy kitchen environment.

TG3 bump bars are manufactured in the US, offering wireless and tethered versions. The rugged, steel bezel design will hold up to all harsh restaurant environments for long lasting reliability. Each bump bar includes Tuff-Key technology and a 3 year standard warranty. (Bump bar part numbers on back page.)

### KVS Features:

- Ultra reliability
- Industrial grade panel
- Metal enclosure, sealed design
