

CHERRY MX-Board 2.0

Models may vary from the image shown

The successor to the legendary G80-3000 keyboard with the proven MX quality

The CHERRY MX board 2.0 is an extraordinary keyboard featuring the legendary, individual mechanical MX keys. Their Gold Crosspoint contacts also allow them to fulfil every wish game players and busy typists may have. To suit every personal taste and usage option, the MX board is available with four – depending on the model – different key confirmation types.

Each individual MX key features an amazing service life of more than 50 million operations – which guarantees it will continue to type reliably even after years of extreme and intense usage.

Key benefits

- Original CHERRY MX module: Quality "Made in Germany" proven effective billions of times
- MX module with Gold Crosspoint contacts and four different key confirmation types
- Professional quality: 50 million operations per individual key, reliable contact capability and exemplary responsiveness
- Extremely wear-resistant lettering on the key caps thanks to lasered symbols

Layout (country or language):

Product dependant, see table "Models"

Housing colour:

black

Key colour:

black

Weight (product):

approx. 760 g

Total weight (with packaging):

approx. 1100 g

Cable Length:

approx. 1.80 m

Storage Temperature:

-20°C to 60°C

Operating Temperature:

0°C to 50°C

Current Consumption:

typ. 16 mA

Interface:

- USB

Product approvals:

- cURus 
- c-tick 
- VCCI 
- CE 
- FCC 
- BSMI 
- KC 

System requirements:

- USB connection

Delivery Volume:

- CHERRY MX-Board 2.0
- Operating instructions in hard copy

Dimensions (product):

approx. 446 x 158 x 28 mm

Packaging dimensions:

approx. 468 x 202 x 35 mm

Reliability:

- MTBF (90) > 80,000 hours

Keyboard:

- Key technology: MX
- Service life, standard key: > 50 million key operations
- Operation characteristics: Product dependant, see table "Models"
- Inscription technology: Laser
- Inscription layout: Standard
- Number of Keys: Product dependant, see table "Models"

Packaging Unit:

- Number of products in the master package: 8
- Number of master packages per pallet: 20

Errors, technical changes and delivery possibilities excepted. Technical information refers only to the specifications of the products. Features may differ from the information provided.
